

FOR MEDICAL DEVICE SALES TEAMS

Urgent procedure? Assign coverage.

Reps, managers, and admins can quickly view the team schedule and assign urgent procedures with fewer calls, texts, and emails.

One shared team view. Faster assignments.

Mobile web preview / Fictional demo data

See the shared schedule

Review team tasks, scheduled times, and assigned owners on mobile or web.

Coordinate across roles

Keep reps, managers, and admins working from the same shared view.

Assign urgent procedures

Use the shared schedule to assign unexpected or urgent procedures.

Fewer calls, texts, and emails

Make the next assignment with less back-and-forth.
